

Field Trip Scholarship Form

The staff and administration of Memorial Middle School believe that all students who wish to participate in a field trip should be given the opportunity to do so, regardless of receipt of payment. MMS has set aside some funds to provide field trip payment assistance to those in need. These funds are not unlimited. Please request a scholarship only if truly needed.

Please print this form and fill in the appropriate information. Return it to the field trip coordinator by the date specified on the permission slip. Completion of the form does not guarantee a scholarship as funds are limited. Each request will be approved by the administration of MMS.

Scholarship Request

I, _____ the parent/guardian of _____,
Parent/guardian(s) name (please print) Student's name (please print)
